CASE ORGANIZATION FOR RECEIVERS AND EXECUTIVES

NUMEROUS RESPONSIBILITIES. **SINGLE SOLUTION.**

As a court-appointed fiduciary, you carry many weighty responsibilities on your shoulders. With CORE, Case Organization for Receivers and Executives, you can tackle these demands with greater efficiency and organization so you can achieve more — including peace of mind.

ACCOMPLISH MORE. FROM ANYWHERE.

CORE is a turn-key case management system designed to keep the receivership process well organized so receivers can experience greater efficiency while managing large case loads and adhering to stringent court demands.

And since CORE is a web-based enterprise software, you can work from anywhere at any time with full access to the files, tools and reports you need to get the job done.

Expedite Data Entry & Financial Recordkeeping

- ✓ ACH payments are built into the system
- ✓ Online, secure portal for collecting data on payees and interested parties, including ACH payment data
- ✓ Helpful automations for less monotonous data entry

Save Time with Integrated Financial Management:

- ✓ Integrated banking & reconciliation with partner banks
- ✓ Claims management & distribution calculations
- ✓ Customize Limited Chart of Accounts by Matter
- ✓ Time & billing

Stay Informed with CORE Queries & Reports:

- ✓ Powerful case management features & ad hoc queries
- ✓ STANDARDIZED FUND ACCOUNTING REPORT (SFAR)

NAVIGATE SUBCHAPTER V. **WITH EASE.**

As you know, the Small Business Reorganization Act of 2019 created a new SubChapter V of Chapter 11 of the Bankruptcy Code. To help and support these practicing SubChapter V trustees, CORE offers an all-encompassing solution, including:

Complete UST Reports

- » Case-by-case Monthly Report, Annual Report, Final Reports – NDRs, Final Account

Efficient Case Management

- » Review ECF documents
- » Reduce data entry time with helpful automations
- » Consolidate notes, ECF documents and emails all in one place
- » Mailing matrix
- » Claims import

Better Banking Solutions

- » Bank balances provided via bank integration
- » Banking partners understand the insolvency market and can make quick decisions when opening your new accounts
- » Integrated Remote Deposit Capture (RDC) for same-day depositing without a physical trip to the bank*

Expertise Delivered by Professional Trainers

- » Individuals experienced in Chapter 11 case administration and able to offer the service and support you need, when you need it.

Extreme Confidence in System Availability and Uptime

- » Data security and redundancy built into system platform
- » Backup and replicated sites for strong security posture

** for those customers with a Fujitsu ScanSnap*
